

# My Mama Marched!

My mama marched with a king  
And two little girls ~~with~~ under her wing  
My mama marched with a king  
That's Martin Luther Jr. he had a dream.

My mama marched for the ERA  
And womens' rights were fighting for today ~~they're trying to~~ ~~take away?~~  
My mama marched for equal pay  
Freedom of choice, Roe v Wade

## Chorus:

Here we are in a world spinning backwards

Here we are 60 years after she marched for peace

~~The~~ Cause she believed everyone should be free, My Mama Marched

My Mama Marched for the right to speak

The right to vote and protest in the street

My Mama Marched for the truth

To be yourself and live the one you choose

## Chorus

All of the battles she fought and she won  
Are systematically being cut and undone

She taught me to be peaceful in a crowd

Now I just want to make my mama proud, mama proud

My Mama Marched

} Bridge

Ask yourself is it just? Is it fair?  
Is freedom based judged by the color of the skin we wear?  
My mama marched and I know what she'd say  
Let's make some ~~big~~ good damn trouble today!
